## **Pacific Coast National Bank Named Business of the Year by the Encinitas Chamber of Commerce**

ENCINITAS, Calif.--([BUSINESS WIRE](#))--Pacific Coast National Bank (PCNB) (OTCBB:PCST), a Southern California-based community business bank, was just named Business of the Year in the financial category by the Encinitas Chamber of Commerce. This is a remarkable achievement for a 2-year-old bank, especially as PCNB beat out 11 established member institutions to receive the award.

PCNB was chosen largely on the basis of its deep involvement in community and civic activities. From sponsoring the Octoberfest to supporting the Encinitas Chamber to fielding a team to assist the Quail Botanical Gardens, the bank is an integral part of the Encinitas community.

Explains Mike Andreen of the Chamber of Commerce's Board of Directors, "You can always count on PCNB to show up and participate. They work with the Chamber, the city, the local PTAs, and much, much more. We truly admire their dedication to the community."

The bank's willingness to provide an avenue for smaller businesses to get their banking needs met also figured heavily in the Chamber's decision. As a community bank, PCNB's primary focus is on the family-owned businesses which represent the backbone of the Encinitas community.

"We're deeply honored to receive this Business of the Year award," states bank President and Chief Operating Officer Michael Hahn. "Our community focus stems from our organization's philosophy, best summarized by Napoleon Hill's famous statement: 'In order to get what you want in your life, you must help many others get what they want.'"

PCNB specializes in helping owners of family-owned businesses grow their businesses and personal net worth. Clients always have full access to senior management, the bank's full-service branches, full-service electronic banking, free courier services, an extensive ATM network, and much more.
