Faust each have more than twice the experience of the average community banker, as well as very deep ties to the local community. Mr. Grinyer has over 32 years of commercial banking experience with both large and community banks, all in North San Diego County. Ms. Faust's 26 years of commercial banking experience have all been in Encinitas. Because of their extensive expertise, Mr. Grinyer and Ms. Faust can each give quick decisions, a "360 degree perspective," and valuable business advice to their clients.

PCNB's deep involvement in community and civic activities and willingness to provide an avenue for both small and large businesses to get their banking needs met has been recognized by the Encinitas Chamber of Commerce – which recently named PCNB the Business of the Year in the financial category. This is a remarkable achievement for a bank that was only 2 years old at the time, especially as PCNB beat out 10 other institutions to receive the award.

PCNB's popularity with local businesses is best explained by Gary Tucker, CEO of the Encinitas Chamber of Commerce: "PCNB is a great bank. Focused, smart, experienced – no junior bankers – and committed to making a difference in the Encinitas community. Plain and simple, they're an extraordinary community-based business bank."

PCNB specializes in helping owners of family-owned businesses grow their businesses and personal net worth. For further information please visit <http://www.PacificCoastNationalBank.com>.
